# THE ADVANTAGES OF SHADE

## Unique

Shade Escapes sun shades are custom made to fit your lifestyle. From patios to play structures to pools, Shade Escapes can provide the look, feel and functionality you want with the shade you need.

## Diverse

Now you can design your space without being tied down to permanent bulky structures! Shade Escapes make design fun and allow you to enjoy shade just about anywhere!

## Protective

Skin cancer is the most common form of cancer in the U.S. Keep your family protected with Shade Escapes sun shades. You and your loved ones can enjoy your time outdoors without worrying about the sun's harmful rays.

## Cooler

Not only are Shade Escapes cool looking, they will also keep you cooler! Up to 25 degrees!
